

# Kent International Jamboree 2025

## Volunteer Vacancy Pack

Been Before? Think Again!

---

The Jamboree isn't just for YOUTH, it's for YOU too.

So why not become a part of the Kent International Service Team (KIST), where you can re-define the experience for Scouts, Guides and the adults at the jamboree?

If you are part of KIST, then your home is The Hub. If you have the rights skills and can lead this part of this zone, then we'd love you to join us as part of the team.

### **Role Title:**

Adult Hub: Media and Communications

### **Reporting to:**

The Hub Team

### **Role Description:**

Working as part of the 'The Hub' - the adult zone of the Jamboree - this role ensures all adults are effectively briefed through staged communications about their involvement and engagement at the Jamboree.

### **Essential Requirements:**

The ability to work as part of a wider team is exceptionally important. You will be used to project planning and dealing with large amounts of information. You can think on your feet, to adjust to circumstances that change rapidly, and to make considered and responsible decisions. You will be a strong communicator and are able to use both verbal and written communications well. You will be exceptionally adept at dealing with digital communication and managing digital workflow.

### **Nice to haves:**

Previous experience of working at larger events and particularly in an administrative or communications team. Being used to working with a range of software packages to support this role would be especially useful.
