

# Kent International Jamboree 2025

## Volunteer Vacancy Pack

---

### **Role Title:**

Technology Zone Leads

### **Reporting to:**

Programme Lead

### **Role Description:**

The Technology zone will be a hub of excitement and exploration at the Jamboree. With a focus on blending the traditional camp life style with new technologies for entertainments and experiences.

We are looking for a number of people to lead areas within this zone, all with the capability to lead, teach and drive both team members and participants alike!

Getting your hands dirty as part of the team is a must, as you lead from the front!

### **Essential Requirements:**

- Basic knowledge of TVs, games consoles and other technology that can be used for entertain purposes.
- Ability to manage teams
- Good communication and organisational skills
- Hands on approach to leading and working with others
- A member of the Scout or Guide Association

**Nice to haves:**

- Interest in VR and new technologies
